

To my Kickapoo Families and Community,

I am excited to get the 2021-2022 school year underway. As I enter my 5th year as a Kickapoo I often reflect on the consistent outpouring of support within our community. I am truly grateful to be a part of this school and blessed to have each of you in my life.

Last year came with a multitude of challenges which I imagine we will continue to observe and conquer throughout this year. If at any time you or your student(s) are in need, do not hesitate to reach out to any employee in the building. Everyone at OCS is always willing to lend a helping hand where needed. We have the most amazing staff!

We have a few new additions to the staff this school year: Tania Taulbee and Deanna Keller will join our team as aides, Ashly Stillwell will join our team as the new nurse and Lyndsey Whitten will join us as the FACS and PK teacher. We are excited to welcome them to OCS!

I thoroughly enjoy watching your students learn and grow throughout the year and transition from a Kickapoo to a Titan. I wish everyone the best school year!
