Greetings,

It is my privilege to welcome you to Gibson Southern High School. Gibson Southern is a special place. A place where we take pride in our school and community. It is a place where our teachers and staff have a vested and often times personal interest to see that our students are put in the best possible scenario to succeed.

At Gibson Southern, we are a school of inclusion; a school where all students are welcome and encouraged on a daily basis.

At Gibson Southern, we are proud of our heritage and the foundation that was established almost 50 years ago when Fort Branch, Haubstadt and Owensville consolidated into what we know today.

At Gibson Southern, we are proud to be Titans!

If I can ever be of assistance, please do not hesitate to contact me.

Go Titans!

Jon Adams
