

Tech School Transportation Schedule

Students enrolled to take classes through the Southern Indiana Career & Tech Center will have the opportunity to be provided transportation via the South Gibson School Corporation. At this time, we are only able to transport up to 14 students at a time due to the capacity limitations in the SPV buses. If there are more than 14 students wanting to take advantage of the transportation then we will have to create a selection process to decide what students ride. If a selected student does not consistently ride the bus then he/she may lose that spot to a student wanting and needing that transportation.

- The bus will leave each morning from GSHS at 7:00 AM and arrive at So. In. Tech. Center at approximately 7:30 AM.
- Students will load back on the bus and depart the tech center by 10:20 and arrive back at GSHS at approx. 10:50.
 - If students do not have a class until 5th period, they will be allowed to get in their vehicles and go eat lunch and then return in time for 5th period.
 - If students want to eat lunch in the GSHS cafeteria, they may go to study hall 4th period and eat “B” lunch here at school.
- Students attending SICTC for the afternoon sessions will load up and depart from GSHS no later than 11:20 AM.
 - Those students will be allowed a front line pass in the cafeteria to eat lunch and then be dismissed when they are finished eating so they can board the bus and depart for the SICTC
- Students will load up and leave the SICTC at approximately 2:30 PM and return to GSHS by approximately 2:55 PM.
 - Upon returning to GSHS, students will be allowed to get in their vehicles and leave for the day or board the appropriate South Gibson School Corporation school bus for the afternoon ride to their residence.
- MR. REID AND TRANSPORTATION AIDE, BROOK CLAYTON WILL BE MEETING WITH BOTH AM AND PM SICTC STUDENTS TO DISCUSS THE OPTIONS PROVIDED THESE STUDENTS AND TO FIND OUT THE INTENTIONS OF THE STUDENTS REGARDING THEIR TRANSPORTATION TO AND FROM SICTC.
